Registration

SPA views the workshops and the Convention as separate entities. There is a registration fee for each workshop (held all day Wednesday, Thursday morning and all day Sunday); and there is a separate registration fee for the Convention (held Thursday afternoon, Friday and Saturday). One can attend any number of workshops and choose not to attend the convention, or attend the convention and not participate in any workshops.

Participant conference registration includes conference materials; coffee breaks; the President's Welcome Reception on Thursday evening, and the Closing Reception on Saturday evening; entry to all scientific sessions, the master lectures, and poster sessions. The Convention also provides a collegial atmosphere to meet and interact with colleagues from around the world (typically eight or more countries) who are interested in personality assessment research and practice.

A program book will be available when attendees pick up their registration packet; and the registration packets will be available and arranged alphabetically at the registration site at the hotel. If you have not pre-registered, please see the registrar, Tunisia Kyle. Please note that on-site registration fees are higher. Non-members are encouraged to join SPA and take advantage of the member registration fee. An online membership application is available at www.personality.org.
