

SOCIETY FOR PERSONALITY ASSESSMENT

International Student Travel Grant Guidelines

Deadline: November 30 (each year)

In an effort to encourage training of students and promote student participation in research and scholarly presentation in the area of personality assessment, the Society for Personality Assessment gives travel grants to international students who reside outside the United States who are attending the SPA Annual Convention. Travel grants are available for amounts up to \$750 (includes room for one night at the hotel of the Annual Convention location). The remainder of the awarded grant balance will be given in the form of a check.

Eligibility

Students applying for a travel grant *must be a Student Affiliate member of SPA*, or must have applied online for membership before submitting the International Student Travel Grant Application. Students must also report other travel funding they will be receiving. International awards are given to applicants who actually live outside the United States and are attending the SPA Annual Convention.

Application Process

Applications are available on our web page under the Convention tab, Grants link and the Student tab, SPAGS Grants link. Students should download an application and submit it *no later than November 30 (each year)*. A faculty member at the student's institution must sponsor all applications. Due to limited funds, not all applicants will receive a travel grant.

Award Process

Applicants will be notified as soon as possible after the application deadline whether they will receive a travel grant. To receive the award, the recipient must:

- register at the convention hotel
- be present at the Annual Convention
- send the hotel confirmation number to the SPA Administrative Director by **January 31**.

One night's lodging plus taxes and fees will be waived from the final hotel bill. Grant checks can be picked up at the Annual Convention registration desk.
